

earth day

Listen and fill in the missing words

I am the, and the Earth is
Each blade of, each honey,
Each of mud, and and stone
Is and muscle, skin and bone.
And just as I need every bit
of me to make my fit,
So Earth needs grass and and
tree
And things that grow here
That's why we this day.
That's why across the world we say:
As life, as dear, as free,
I am the Earth and the Earth is me.
